Grumpy

A maturidade e ousadia

O tom caramelo transmite sobriedade, sofisticação e solidez, que associado aos elementos reativos do seu vidro, surpreendem pelo seu toque. A ousadia da sua textura contrapõe a sua denominação menos humorada, mas ao mesmo tempo harmónica e de detalhe exigente. Cada peça é uma obra de arte que nos convida a contemplar e apreciar a delicadeza da porcelana.

Maturity and boldness

Its caramel colour conveys sobriety, sophistication and robustness, which, combined with its glaze's reactive elements, surprises by its touch. The boldness of its texture contrasts with its less humorous denomination, but at the same time harmonious and demanding detail. Each piece is like a work of art, thus inviting us into contemplating and appreciating porcelain's delicateness.
